Members of Stirling Lodge, No. 69 Entertained Ladies At Banquet

The annual Ladies' Night and "At Home" of Stirling Lodge, A.F. & A.M., No. 69, G.R.C., was held in the I.O.O.F. Hall on Saturday evening last, when close to two hundred were present to enjoy a bountiful banquet, served by the ladies of Laurel Rebekah Lodge No. 211, followed by a splendid programme.

Led by Piper Carl Linn, the head table guests were escorted to the banquet room. Grace was said by Rt. Wor. Bro. John L. Good.

A true spirit of hospitality prevailed and the tables were heavily laden with all that could be desired by even the most critical appetite.

Wor. Bro. Ed. Emerson filled the position of Master of Ceremonies and carried out his duties in an acceptable manner. After the toast to the Queen and the Craft, Wor. Bro. Gordon W. Bailey introduced the head table guests.

In a fluent manner, Bro. Robert C. Hoard proposed a toast to the ladies. Mrs. John L. Good ably responded, and expressed the appreciation of the ladies for the splendid evening.

Wor. Bro. Craig Watson and Mrs. Watson led in a lively round of community singing.

Wor. Bro. Harry Vandervoort proposed the toast to the Grand Lodge of Canada, replied to by Rt. Wor. Bro. Carl Reid, of Picton, D.D.G.M., of Prince Edward District.

Duets were enjoyed by Mrs. Jim Pollock and Mrs. Harry Morrow, as was a monologue contributed by Mrs. Pat Merrill.

The toast to the visitors was given by Bro. Bob Mansell and replied to by Rt. Ex. Comp. Lyle B. Hagerman. Bro. Dr. R. B. Murray introduced the guest speaker of the evening, Rt. Wor. Bro. Garnet B. Rickard, Grand Junior Warden of the Grand Lodge of Canada in the Province of Ontario, who is a brother-in-law of Dr. Murray.

Rt. Wor. Bro. Rickard's address was full of wit and wisdom. He spoke on the subject, "What Is The Masonic Order?" and was listened to with rapt attention by the large gathering.

He stated that one of the main aims of Masonry is to unite people in

Youth Choirs Well Received

Music lovers of Stirling and district thoroughly enjoyed the musical concert, sponsored by St. Paul's United Church Senior Choir at Stirling Theatre on Sunday night.

The well-known Kiwanis Youth Choir of Pembroke provided the programme, assisted by the Kiwanis Choir from Belleville during intermission.

These two choirs are to be highly commended on their fine efforts.

the building of character. "The most important person in the Masonic Order is the candidate about to be initiated," continued the speaker. He is the person who will help to build the Masonic Order."

Three principles of the Masonic Order are: Brotherly Love; Relief, not only in the form of charity but by action and thoughts towards other people, and Truth.

In closing, Rt. Wor. Bro. Rickard challenged the Brethren to great dedication in the Order.

Bro. Ken Boake expressed thanks to the guest speaker and presented him with a gift on behalf of the members of Stirling Lodge.

A note of merriment was introduced when Lyle Couch entertained with humorous selections.

Bro. Ralph Clements extended appreciation to all the entertainers, and to the caterers by Bro. Chas. Pearce. Mrs. Pat Merrill, Noble Grand of Laurel Rebekah Lodge, replied on behalf of the Rebekah Sisters.

Following the Junior Warden's Toast by Bro. Burton Woodbeck, dancing and cards were enjoyed to bring an enjoyable evening to a close.

Public Library A Busy Place

The Stirling Public Library is a busy place these days, with a much accelerated rate of reading. Whether our lovely tangerine drapes lend us enchantment, or our many new titles are providing extra enjoyment, we are happy that you are finding pleasure from the shelves.

The "Story Hour" is enthusiastically attended and dearly loved. The Friday night films have a floating attendance of about 25. Both of these special treats for the youngsters will be cancelled for this coming week because of the special films in the Theatre on Saturday afternoon. They will be resumed again the following week — Films on Friday, December 13th at 7.30 p.m. and Story Hour on Saturday, December 14th at 2.00 p.m.

The December films have arrived — circulating blocks C55 and C56 in your film catalogue.

There is not room in this week's paper for book reviews, but there are some very good books, newly added to the collection. If I might single out one title, I would suggest that "True Grit," by Charles Portis, is a deceptively simple tale with elusive social implications, that might just span the reverse generation gap and give younger adults insight into the values that had meaning to their grandparents.

In next week's paper, we will have a list of titles that will make your Christmas holiday leisure more enjoyable. Until then, Happy reading.

Brownies To Meet Monday

Stirling Brownie meetings will now be held on Mondays at the Community Hall. Brownies please take note of meeting day.

IT'S US AGAIN

We hit the jackpot again last week at Senior Citizens. In spite of rough weather, we had a big turnout and naturally a lot of fun.

We were well fed through the kindness of Myrtle Kirkey, Greta Nicholson and Mrs. Hub Faulkner. To add calories, Nellie Smith and Francis Merrick tossed in a big birthday cake in honour of their grandmother, Mrs. Spry. Mrs. Spry is a regular attendant at Senior Citizens and a real card shark, too. Thanks to all as expressed by Pres. Fred.

From the sick bay comes the report that Florence Hough is ill. Keep your chin up and keep smiling, Florence. We want you back here real quick.

Don't depend too much on this, but they say you should soak your strapless formal in coffee before going to a party. The idea is to keep it up all night.

(By Mrs. Percy MacMullen)

On Monday, November 18th, Mrs.
Harry Morrow was hostess for the
monthly meeting of Stirling Horti-
cultural Society. There was an at-
tendance of thirty-four people, des-
pite the inclement weather.

Mrs. Floyd Armstrong opened the
meeting with the usual prayers. Mrs.
Ray Rose read the report of the sec-
retary and Mrs. Grant Hubble gave
the financial picture. The correspon-
dence included the monthly newslet-
ter. The year's work is now com-
pleted and the flower beds are all in
readiness for Spring.

The new slate of officers will be
presented at the January, 1969, meet-
ing.

The programme was prepared by
the fourteen Mount Pleasant mem-
bers. Pine cones, ribbons, bells and
other Christmas greenery was ar-
ranged on a long table and trays of
various decorations were provided.
Each lady fashioned a Christmas car-
dage which were very colourful. The
programme consisted of Christmas
music and a reading by Mrs. Robert
H. Hoard.

Prizes, slips and a plant were
awarded and the winners included
Mrs. Gordon Apperley, Miss Annie
Holmes, Mrs. Kenneth Ray, Mrs.
Harry McAdam, Mrs. Garnet Triyett
and Mr. B. Belshaw.

A colourful squash was displayed
by Mrs. Warren Hargerty, which she
had grown in her garden.

At the close, the Mount Pleasant
members served a variety of fancy
cookies.

The President, Mrs. Armstrong,
voiced appreciative thanks to those
who had provided the successful
afternoon and to the hostess for hos-

J. Wm. D. Cornett, M.D., Appointed Executive Director Medical Division, McNeil Laboratories, Inc.; U.S.A.

J. Wm. D. Cornett, M.D., Medical Director of Ortho Pharmaceutical (Canada) Ltd. and McNeil Laboratories (Canada) Ltd., has been appointed to the position of Executive Director of the Medical Division, McNeil Laboratories, Inc., Fort Washington, Pennsylvania. Dr. Cornett takes up his new appointment in January, 1969. McNeil and Ortho are both members of the Johnson and Johnson family of companies.

Dr. Cornett will be responsible for the overall direction of the McNeil clinical research program in the United States. He will also act as a consultant to the Canadian clinical research program of McNeil Laboratories (Canada) Ltd.

Dr. Cornett received his M.D. de-

gree from Queen's University in 1945, and practised general medicine in Stirling, Ontario, until September, 1959, when he became Medical Director of Ortho Pharmaceutical (Canada) Ltd.

Under Dr. Cornett's direction, numerous clinical research programs were established in Canada including those to study Ortho-Novum contraceptive tablets. Much of the success and wide acceptance of this oral contraceptive has been attributed to Dr. Cornett's pioneer work in this area.

In 1964, Dr. Cornett received the first Distinguished Contribution Award presented by the Board of Directors of Ortho Pharmaceutical (Canada) Ltd. The following year, he was elected to the Ortho Board of

Directors and also assumed responsibility for the medical affairs and clinical research program of McNeil-Canada. In 1966, he was elected to the McNeil Board of Directors.

In November, 1967, in recognition of his service to clinical research, he was awarded the Johnson and Johnson Medal for Research and Development, "for his outstanding contributions to the clinical evaluations of oral contraceptives in Canada".

Dr. Cornett's wide circle of friends in the medical and pharmaceutical professions in Canada will be interested to learn of his new appointment.

Mount Pleasant Messengers

Thirty-five children gathered at the Church Hall, on Sunday morning, November 24th, for the November meeting of The Messenger Group. Margaret Hoard provided the opening piano prelude. Kenneth Sharpe acted as president and Jill McAdam was secretary.

Mrs. Garth Joslin gave the devotional story, based on "Co-operation". The offering was gathered by Chris Bailey and Dale Harry and dedicated. Kathy Sharpe read the prayer.

Mrs. Raymond McConnell conducted the business. Plans were made

Girl Guide News

The 1st Stirling Girl Guides have had a busy Fall season. We started in September with 23 girls and 2 leaders. As of this week, we have 2 leaders, since Mrs. Lois Clarke has kindly agreed to join us.

In September, we had a Fly-Up Ceremony, in which we received seven new Guides from the 1st Stirling Brownie Pack.

Our Patrol Leaders were elected on October 1st. They are as follows:

Scarlet Tanager Patrol — Jill West, P.L.; Janet Wood, 2nd.
Swallow Patrol — Susan Wright, P.L.; Janet Munro, 2nd.

On October 19th we had planned to go hiking. However, pouring rain made this impossible, but we did have a very successful hike on November 2nd. Each Patrol cooked a delicious meal over their campfire and all the new Guides were able to pass their Hike and Outdoor Fire.

We visited the 1st Marmora Guide Company on October 25th, and had a very enjoyable Halloween Party with them. Our thanks goes to Mr. Maurice Montgomery and Mr. Jim Wright for driving a carload to Marmora and back for this event.

Of course, we have had a lot of work to do as well as a lot of play. The new Guides are all working on

their Tenderfoot tests. We hope to have them enrolled before Christmas but don't know if we're going to make it. The Second Class girls (last year's Guides) have been all tied up in knots. Many have also passed proficiency badges. We will report further on this topic in our next news item.

Till then, a reminder to our girls: "A Guide's duty is to be useful and help others". Don't forget your good deeds.

In Memoriam

STAPLEY — In loving memory of Lorne H. Stapley, who passed away December 6th, 1966. He is gone but not forgotten. And, as dawns another year, In our lonely hours of thinking, Thoughts of him are always near. Days of sadness will come o'er us. Many think the wound is healed. But they little know the sorrow That lies in the heart concealed.

— Ever remembered by wife, Ida, and family.

McKEOWN — In loving memory of my dear husband, Fred McKeown, who passed away, December 1st, 1965. The rolling stream of life rolls on, But still the vacant chair. Recalls the love, the voice, the smile, Of one who once sat there.

48-1p Mrs. Fred McKeown

St. Paul's U.C.W. Unit Four

Lovely bouquets of 'mums and other colourful flowers decorated the Church rooms for the November meeting of Faith Unit (Unit Four).

The group leader, Mrs. A. Bush, greeted the ladies as they arrived.

Mrs. Geo. Carlisle, President, opened the meeting with a timely message.

Mrs. A. Brooks reported there were 17 Life Members and 40 Paid Annual Members, with 29 in attendance at the meeting.

Church calls made by Mrs. C. Tucker and Mrs. J. B. Hough numbered twenty-two.

Mrs. Waite read a letter of appreciation received from Mrs. M. Bell.

Mrs. Ross Bush thanked all for their assistance in catering for a wedding and was promised further help for the A.O.T.S. Banquet.

Supply Secretary, Mrs. M. Ayrhart reminded the ladies of the bales to be packed on the afternoon of November 27th.

Mrs. E. Warren reported \$130.00 realized from the sale of booklets on Stirling and asked that any books outstanding be handed to her by the end of the year.

Mrs. H. West spoke on behalf of the Senior Choir, reminding all of the concert on December 1st.

It was decided to buy copies of the Upper Room with a small amount that had been specially collected for Literature. These would be placed in the book rack for anyone who wished to obtain one.

Devotional

In the absence of Mrs. DeJong, the worship service was conducted by Mrs. J. B. Hough. Preceding the service, Mrs. H. West played quiet music of sacred hymns, after which hymn 20 was used to open the devotions. Members stood for a moment of silent prayer in tribute to one of their group, Mrs. D. Luery, recently deceased, with prayer offered by Mrs. Hough.

The theme of the Bible lesson was "Thou Shalt Love". All joined in reading our Lord's summary of this law as seen in St. Mark's gospel, chapter 12, verse 20, and in St. John's gospel, chapter 13, verse 34. This is God's law in the law of love. Mrs. Hough stressed these commandments, namely, "Thou shalt love the Lord thy God" and also "Thou shalt love thy neighbour". Who is our neighbour and what is our responsibility toward him, as a Christian? Further comments were made by Mrs. H. Donnan, such as, Was it easy for Christ to love His erring disciples, so easily turned from the way? Was it easy for Christ to love Judas who betrayed Him? Can it

be easy for Him to love us with our lukewarm discipleship?

To close the service, a favourite hymn was sung by Mrs. H. Waite, accompanied at the piano by Mrs. H. West. The offering, gathered by Mrs. R. Bush and Mrs. A. Bush, was dedicated by Mrs. H. Donnan.

Mission Study

Mission Study was presented by Mrs. Bruce Stapley, dealing with customs of Japan and changes that are taking place there. Some tiny Japanese lanterns and posters were made and used for decoration. The family crests were marks of Japanese culture and used particularly on formal occasions for family identification. Japanese lanterns are still used in decoration of shops, etc. While there are known to be 700,000 Christians in Japan, yet there are far more who classify themselves as non-church Christians. A Japanese village often covers several square miles of farm land as well, and is called a hamlet. There followed the story of a young man of the North of Japan who was called, "The Wheel-chair Evangelist". This man lived in Straiasho and was a hopeless cripple. When Good Samaritan Evangelists came to his village, he became interested and despite his handicap, he distributed Bibles to interest others in their message. One of his favourite verses was "Come unto me all ye

who are weary and heavy laden and I will give you rest".

While tea was being prepared, a splendid film was shown on "China", its resources and industries.

Mrs. Carlisle thanked Mrs. Stapley for her interesting presentation of the study, after which she closed the meeting with prayer, followed by all in the Lord's Prayer.

Mrs. Stapley divided the women into groups, by means of small crests she had made, replicas of the Japanese crests, and tea was served by the November committee. Appreciation was voiced by Mrs. Frank Smith.

The December meeting will be a pot luck luncheon at noon, the third Tuesday of December.

December Church callers are Mrs. C. Clancy and Mrs. H. Donnan.

Notice to Employers & Employees

At 12.01 a.m. on January 1st, 1969, the new
Ontario Employment Standards Act
becomes law

The New Employment Standards Act provides minimum standards for overtime pay, holiday pay and vacation pay; protects against long hours; ensures equal pay for equal work for women workers; sets higher rates of minimum wages.

Ontario's employment standards program is concerned with the economic well-being of the Province's manpower resources. The new Act up-dates and broadens the minimum standards for wages and working conditions to safeguard workers against exploitation and to protect employers against unfair competition based on lower standards.

hours of work

The working hours of an employee shall not exceed eight in the day and 48 in the week. However, under certain conditions a permit to work overtime may be obtained from the department. Employees whose only work is supervisory or managerial are exempted from the hours provisions of the Act. A girl under 18 years shall not be required to work more than six hours overtime each week.

overtime pay

The Act provides that an employee will receive a minimum of one and one-half times his regular wage-rate for any work in excess of the maximum 48 hours per week. In addition to providing premium pay, this requirement is designed to curb the use of excessive overtime.

Special overtime provisions have been established for the following industries and may be obtained by writing the Employment Standards Branch of the Department: Sewer and Watermain Construction; Interurban and Municipal Transport; Local Carriage; Tourist Resort; Restaurant and Tavern; Fruit and Vegetable Processing; Taxi; Ambulance Service; Highway Transport and Road Building.

statutory holidays

Regular, full-time employee and certain categories of part-time employees who work on a statutory holiday must receive a minimum of one and one-half times their regular wage rate. The holidays are Christmas Day, New Year's Day, Good Friday, Victoria Day, Dominion Day, Labour Day and Thanksgiving Day. Substitute holidays may be arranged with the approval of the Director.

equal pay for equal work

In order to protect the growing segment of women in the labour force the existing legislation covering equal pay for equal work under the Human Rights Code has been strengthened and transferred to the Employment Standards Act. This provision ensures that a woman who does the same job as a man in the same establishment is entitled to the same pay. The question of what is equal work will be determined on the basis of skill, effort, responsibility and working conditions.

THIRD SHIFT.

No girl under 18 years shall work in an establishment between midnight and 6 a.m.

If a woman works on a shift that begins or ends between 12:00 midnight and 6 a.m. her employer must provide transportation from her residence to the job or from the job to her home.

vacations with pay

The Act provides that every employee shall be given an annual paid vacation of at least one week after one year of employment. The vacation pay must not be less than 2% of the total pay received in the year in which the vacation is given. When an employee works for a period less than one year he is entitled to 2% vacation pay for the period worked. After three years of employment, the minimum is two weeks paid vacation and the pay must not be less than 4% of the annual earnings. The Vacation with Pay stamp book system for construction workers will be phased out between January 1, 1970 and June 30, 1970.

protection for homeworkers

Any person doing homework as defined in the new Act is now considered to be an employee and is protected by the legislation.

Employers are required to provide a statement of wages and deductions to each employee at the time wages are paid. It must show: pay period, rate of wages, amount of wages, all deductions and the purpose of each, allowances and the net amount being paid the employee. Deductions include those authorized by the employee and such usual deductions as Unemployment Insurance, Income Tax, Canada Pension, Company Pension Plan and Hospitalization.

collection of unpaid wages

The department may now collect unpaid wages for an employee including the amount of wages due, overtime pay and vacation pay up to a maximum of \$1,000. Formerly collection could be made for wages only up to the level of the minimum wage.

NOTE

There are some industries in the province under the jurisdiction of the Federal Government such as banks, airlines, railways etc. These industries are covered by the Canada Labour Standards Code and are not under the jurisdiction of this Act. If you are in doubt which legislation applies to you, call the Employment Standards Branch (Telephone: 365-5251), for information.

The above is only a general summary of the Act. For more specific information regarding the Act and its regulations concerning overtime permits, exemptions for special occupations, etc., contact:

94th Anniversary Of Bethel Church

On Sunday, November 17th, Bethel United Church on the Rawdon Circuit, observed their 94th anniversary. The church was filled to capacity with extra chairs to accommodate the large number of worshippers in attendance from the community and nearby points.

Baskets of colourful 'mums and potted plants were used for decoration. There was also a basket of flowers in memory of the late Mrs. Pearl (Thompson) Sharpe by the family.

Rev. Donald Hodgins, of Tweed, was the guest minister and based his morning message on "A Journey Into the Unknown" based on the words of Joshua, "Ye have not passed this way heretofore". (Joshua 3:4). As we think of anniversary services, we should not be celebrating the past but rather should be looking ahead towards the future. As Christians, God wants this future to be for His people; to be filled with joy, prosperity, happiness and success and His formula is found in the 6th chapter of Matthew, where we hear Jesus talking about material things — about food and raiment and the needs of life. Then he says: "Seek ye first the Kingdom of God and His righteousness and all these things shall be added unto you."

Special music was arranged by Mrs. Harold Elliott, A.T.C.M., church pianist, and Mrs. Kenneth Sine.

The Junior Choir of nineteen voices, directed by Mrs. Sine, sang "Turn Your Eyes Upon Jesus", by H. Lemmel, with Betty and Mary Lou Sine taking the duet part.

The guest soloist, Mrs. Robert Hough, of Holloway, rendered two numbers, "How Lovely Are Thy Dwellings", by S. Liddle, and "Such Lovely Things", by M. North.

The service opened with "Praise To the Holiest in Height", and previous to the sermon the congregation sang, "Love Divine, All Love Excelling", and the service closed with "He Leadeth Me".

The ushers were Lloyd Dunham, Russell Hagerman and Paul Heagle. Rev. W. C. Cox conducted the services, both morning and evening.

At the evening service, the Junior

Choir rendered the anthem, "Wilt Thou Forgive", by G. Beaumont. Mrs. G. Clancy and Mrs. G. Russett rendered the duet, "Beautiful Saviour", by R. J. Hughes.

Rev. D. Hodgins based his message on the theme "Christ's Answers To Some of Life's Hard Questions". 1. What kind of being is God? 2. What shall I do about my sins? 3. What is the supreme purpose of life? 4. What about the Future Life?

The anniversary closed on the theme, "Will Your Anchor Hold in the Storms of Life", followed by the Benediction and the choral Amen.

MR. AND MRS. ROBERT EDGAR MORROW Morrow — Vandervoort Wedding

Rev. B. Small officiated at the November 16th wedding ceremony at St. Paul's United Church, Stirling, when he united in marriage Mabel Elaine Vandervoort, daughter of Mr. and Mrs. Harry Vandervoort, of R.R. 3, Stirling, to Robert Edgar Morrow, son of Mr. and Mrs. Kenneth Morrow, of R.R. 4, Stirling. Rendering appropriate nuptial selections was organist, Mrs. Andrew Faulkner, and soloist was William Reynolds.

The bride, give in marriage by her father, wore a gown of imported crystal satin with princess styling, featuring the Elizabethan look of a high standing collar with pearls and tiny crystals. The leg of mutton sleeves completed the gown with a wide cuff adorned with matching beading. A wattleau cathedral train fell from the neckline, and a matching four-tier veil adorned with seed pearls and tiny crystals added a finishing touch. The bride carried a bouquet of yellow roses and stephanotis.

Maid of honour, Miss Valerie

Stewart, wore a gown of moss green satin, the back of which was lime green worsted. The chiffon bodice featured a ruffled front, with the long sleeves of the gown ending in matching ruffles at the wrist. She carried a bouquet of bronze and yellow 'mums with a tulleman ribbon to match. Bridesmaids, Mrs. Barbara Noble, Mrs. Joyce Reid and Miss Carol Vandervoort were owned identically to the maid of honour.

Attending the bridegroom was Joe Whitehead and the ushers were Robert Vandervoort, Andrew Faulkner and Robert Luery.

For the wedding reception held at the Church Hall, the mother of the bride received the guests in a dress of orange ice satin brocade, with touches of gold. A stand-up collar beaded with matching crystals and pearls, and a bodice with the same crystals was completed by elbow length sleeves. A matching turban hat, brown accessories and a green cymbidium orchid corsage completed her ensemble. Assisting her, the mother of the bridegroom chose a juniper green knit dress, three quarter length sleeves and a double row of self-covered buttons. Brown accessories and a corsage of roses completed her attire.

For the wedding trip to Pennsylvania, the bride chose an ensemble in the new cape styling. The neckline featured the mandarin look, with small chiffon ascot. The cape, in block check of black, grey and white, was complemented by a semi-fitted sheath dress with long sleeves, in identical material as the cape.

They will reside at 230 West Moira St., Belleville.

Old Schools Hit Auction Block

Twenty-nine old public schools are on the market for sale by auction on Dec. 7. Barton Haggerty will preside in Stirling Intermediate School at 1 p.m. for the district's most unusual country auction in many years.

The schools now belong to the public school board of Hastings County School Area No. 2, formed last January with the merger of several small schools in Hungerford, Huntingdon, Rawdon and Madoc townships and

the village of Deloro.

Contents of the buildings have been sold or moved to the new consolidated schools now accommodating the pupils. Mr. C. R. Cotton, Business Administrator said.

"Before noon of the day the auction sale advertisement appeared in a Toronto morning paper, I had three long-distance telephone inquiries from Toronto and one from Peterborough," he said.

Oldest school in Area 2 is located on lot 22, concession 2 of Rawdon. Land for the school was deeded in

Stirling Council Receives Approval To Form Planning Area And Board

Several delegations waited upon Stirling Council at the regular December meeting held on Monday of last week. Reeve D. W. Rodgers presided. Councillors Robert Anderson, Claude Trumble and Robert Hulín were in attendance.

Mr. J. L. Good, a Trustee of Stirling Lodge, No. 69, A.F. & A.M., interviewed Council regarding the Senior Citizens' Club using the lower floor of the Temple. He requested a grant of \$110.00 to defray operating expenses for 1968. On motion of Anderson and Hulín, the request was turned over to the Recreation Committee for consideration.

Fire Chief Graham Mouck addressed Council concerning various matters pertaining to the local volunteer Fire Department.

Additional Plant Required For Arena

R. D. Cooke, Chairman of the Stirling-District Arena Committee, was present and outlined the activities of this organization. He pointed out that an additional ice-making machine was needed to maintain good ice in the Arena in early Fall and in the Spring. The subject was thoroughly discussed and Council and the Arena Board will look into the matter regarding the purchase of a second ice-making unit for the Arena.

A delegation of Doug. Robson, Ron Woodbeck and Allan Bird, representing the Stirling Snowdrifters Snowmobile Club interviewed Council regarding the use of snowmobiles on the Village streets. Mr. Robson pointed out that the Club was in the process of drawing up a constitution and that it was hoped that no local by-law would be required to govern these machines.

Reeve Rodgers pointed out that at present no by-law was planned governing snowmobiles on the Village streets.

The following communications were read by Clerk-Treasurer W. L. Pollock:

Carl E. Bateman, arbitration report; Dept. of Municipal Affairs, per capita grant; Dept. of Highways, interim subsidy; Bell Telephone of Canada, survey report; Bay of Quinte District High School Board, debenture payment; Dept. of Transport, station closing; Hastings County School Area No. 2, current taxes; Dept. of Municipal Affairs, planning area and official plan; Chas. E. Hicks, monthly report.

To Extend Telephone Service

The letter from the Bell Telephone Co. noted that in the survey just completed 81% were in favour of extended direct dialing to include Belleville, Frankford and Wooler with the Stirling exchange. The change is contemplated to take place in 1971.

The communication from the Department of Municipal Affairs gave the Village of Stirling authority to form a Stirling Planning Area and Planning Board. It is planned to appoint a Board early in 1969, which will likely appoint a firm of consulting engineers to begin working on the plan.

It was the decision of Council that the Planning Board would consist of six appointed members, plus the Reeve. The Clerk was instructed to draw up a by-law accordingly. On motion of Hulín and Trumble, the November report submitted by Police Chief C. E. Hicks was approved.

Thursday, December 26th was proclaimed a civic holiday in the Village. The final meeting for the year for Stirling Council was set for Thursday, December 12th, at 7:30 p.m.

A Blowout

Last week at Senior Citizens, two of our kids, Gladys Elliott and Margaret Ward, rustled up a tasty lunch and Murn, Stapley's pipe fell right out of his mouth in surprise when Mina Smith placed a maye-candied birthday cake on his table.

On Thursday, December 12th, we are having a blowout — a turkey dinner. Bring your own knife, fork, spoon, plate and mug. O, yes, supply your own blowout patches, too. Dinner will be served at 1 p.m. on the dot.

— So —

Everybody out on Thursday. Whether it is rain or shine. Come after breakfast. Bring your eating tools. And leave before suppertime. Remember — A hangover is the burden of too much proof. Dis Ole Scribe

Family Night At St. John's Parish

A most successful Family Night was held at St. John's Parish Hall, Saturday, November 30th, with approximately one hundred parishioners and their children attending.

Mr. Bill McArthur rendered a selection on the accordion. Mrs. Doug. Fairies and her daughters entertained at the piano and an orchestra consisting of Mrs. Fairies, at the piano, Mr. S. McArthur, on the violin, Mrs. G. Clarke, guitar, and Mr. Wm. McArthur, on the drums, provided very pleasant listening.

There were several games for all and a film entitled "The Pony" was shown.

Each family placed a felt decoration on the silver tree containing a gift of money.

Mr. Caswell thanked everyone for making this evening a success and mentioned that the church has a tendency to separate the family into little groups. More social evenings are to be planned in the coming year.

A delicious lunch was served by the ladies, bringing the evening to a close.

Bethel U.C.W.

The regular monthly meeting of Bethel U.C.W. was held in the Church Hall on November 28th at 2 p.m. Mrs. D. Heath welcomed the visitors and members.

The Scripture Lesson, taken from St. Matthew, chapter 20, was read by Mrs. S. Thompson, followed by prayer.

The meditation was in the form of a debate on the subject, "Resolved that a woman's place is in her home". The affirmative, taken by Mrs. Penner and Mrs. Carlisle, maintained that the Christian homemaker through her good and kindly deeds spreads the glow of Christianity to her neighbours and community and so to the world. The negative, taken by Mrs. Russell and Mrs. Heath, refuted the claim by saying a woman could do more by going out into the world and doing good in various ways in other parts of the world. The members wrote their opinions on slips of paper and the discussion was summarized by Mrs. W. Cox.

Mrs. T. Laycock received the offering. The roll call was answered by 33 members and visitors with contributions to a balm, which was later packed by Mrs. J. Hagerman and Mrs. S. Kellar. There were also 5 small children present.

The next meeting will be at the home of Mrs. E. Ketchen on December 12th, with the roll call being an exchange of small gifts.

Mrs. K. Lang, violinist, accompanied on the piano by Mr. Lang, played several musical selections. The members joined with them in singing some of the more familiar songs. Mrs. L. Reid gave a reading, "Be What You Is". The Benediction was repeated in unison.

The hostess, Mrs. D. Heath, and helpers served a tasty lunch and a social time was enjoyed. Mrs. M. Wickens voiced the appreciation of the group to the programme and lunch committees.

KEEP YOUR

Choose a place for the tree which will not block access to doors or windows in the event of an emergency.

Hold it! Before you set up the tree, cut one or two inches from the butt. Then set it in water. Crushed stone in a suitable container will keep it steady.

Remember to replenish water regularly throughout the Christmas Season. You may need to add more than a pint a day.

Insulation on lighting strings should be checked for damage and possible short circuits. If buying new lights, be sure they are C.S.A.

Smoking near the tree is foolish and dangerous. Keep cigarettes and matches at a safe distance.

Tinsel and other decorations should be non-inflammable. Don't deck your tree with added fire dangers!

Make sure that matches are kept out of reach of children, and never leave young children unattended even for a minute!

Always clear away discarded gift wrappings promptly from the tree area. Even a moist tree will burn if ignited by such a fire around its base.

Switch off the tree lighting when you go to bed, or whenever you leave your home.

Make sure it hums.
 Then it won't be a watch at all. It'll be an Accutron® timepiece.

Bulova left out of Accutron the parts that make a watch run fast or slow.

The Accutron timepiece has no balance wheel, no mainspring, no hairspring. (Therefore no tick.) Instead it has a tiny, electronically-powered tuning fork. (That's what does the humming.)

The tuning fork splits a second into 360 equal parts. The best a ticking watch can do is divide a second into 5 or 10 parts.

Accutron time is so nearly perfect that Bulova guarantees monthly accuracy to within 60 seconds.

It's a particularly good gift for the man who has everything except the right time of day.

Accutron timepieces start at \$135.00.

ACCUTRON® by BULOVA it goes hm-m-m-m.

A TIME TO LIVE AND A TIME TO DIE

(Department of Lands & Forests)
For all of us there is a time to live
and a time to die, and it should be
that day for wild game too.

The problem is that there are hu-
mans roaming the woods in the guise
of hunters who have never learned
to stop killing.

We see evidence of it along back
roads — a deer carcass with the hind
quarters cut away or bits of bones
left from a "summer" kill. You see
it in the duck marshes — ducks left
at the landing that would not fit into
a man's legal limit. We see it in the
hardwood — a partridge gone to
waste because a man shot too far for
a clean kill, and we see it also along
the creeks and rivers — a dead mink
or beaver with a bullet hole in its
head.

You hear it where men gather to
sip beer and talk about the big kill,
the easy kill or the illegal kill. We
hear it in small and medium-sized
towns, even big cities, for the men
who can't stop killing are never de-
finable by the size of the community,
nor by the cut of their clothes. You
can't set the activity apart by species.
Anywhere there is something wild in
the bush you can bet your best shot-
gun someone is figuring out a way to
kill it without being caught. It hap-
pens with squirrels and rabbits as
well as deer and the occasional
moose.

The man who kills within the
framework and limits of the hunting
regulations is a different breed of
cat. He tempers his killing with re-
spect for the animal he pursues. He
sees a wild thing not only as a tar-
get but as a living, breathing crea-
ture with more freedom than he, him-
self, will ever have. He takes that
life and that freedom if he can, only
if the law permits, and he may even
do it with some regret. He stands

with the majority of hunters. But
the others?

These are so-called men who seem-
ingly can't stand to see any bird or
animal alive in the woods. They will
blast an otter into eternity while
hunting for ducks! They will riddle
a heron with bird shot if there is
nothing else in the air to shoot!
They will kill simply because, while
carrying a gun, they have found
something with life which can be
rendered dead!

And what about the careless
angler? He is the unthinking fisher-
man who pollutes pure streams and
lakes with garbage and beer cans or
is the cause of a wild forest fire
which, in turn, fills once pure waters
with hot ash and silt, killing all fish
and, perhaps, destroying future
spawning beds.

The eager, young lad, with crude,
tree-twig rod and bent pink-hook, with
all his inexperience is often better
than the self-styled angler. The
"spoller" pulls them in beyond the
legal limit and, instead of throwing
back the small ones, leaves them on
the bank to rot, to stink in the sun
and add to the general assault on
nature's beauty.

These are the "bad guys" of Sports-
dom. The fishery poachers — the
encroachers — on the right of others.

Conservation is not a mere empty
word, or way of life of the pious do-
gooders. It is the vital heartbeat of
fish and wildlife management pro-
grams: the wise use of natural, re-
newable resources.

The callous hunter and fisherman
are the ones with black and white
values. A gun is to shoot. A bird
or animal is meant to be shot. A
fish — any limit — any size — is
meant to be caught. He is the execu-
tion, a child with a man's body,
wearing a man's boots — no more.

For him there is no time to live—
only a time to die.

Silver Wedding Anniversary

On Saturday evening, November 30th, Mr. and Mrs. Burton Sharpe, of Mount Pleasant, were honoured at a dinner given by their family at the Sun Luck Gardens, in Belleville, on the occasion of their twenty-fifth wedding anniversary.

Forty friends and relatives were in attendance from Warkworth, Campbellford, Peterborough, Oshawa, Belleville, Eldorado, Frankford and Stirling.

On the table where those attending signed the guest book were displayed pictures and mementoes of Marion's and Burton's wedding in 1943. Of particular interest to everyone was a scrapbook, compiled by their daughter, Mrs. Jack Oliver, of Peterborough, which depicted, with pictures and clippings, the highlights of their twenty-five years of marriage.

Following the dinner, the couple's eldest daughter, Miss Carol Sharpe, expressed the family's happiness in having so many friends and relatives present for the occasion. In speaking of her parents' wedding, she introduced the attendants of the bridal party, all of whom were present on this occasion. Mr. Angus Johnston, of Frankford, cousin of the groom, was best man. Mrs. George Nelson (nee Helen McMullen), Warkworth, sister of the bride was maid of honour, and Mrs. James Milne (nee Ruth Sharpe), Oshawa, sister of the groom, was flower girl. Each of these attendants spoke briefly, reminiscing about the wedding and expressing best wishes for future happiness.

Marion and Burton were married on December 4th, 1943, at the bride's home, R.R. 2, Holloway, with Rev. J. F. Lane officiating.

Marion is the daughter of Mr. George McMullen and the late Mrs. McMullen, of Holloway, R.R. 2. Burton is the son of Mrs. Leonard Sharpe, R.R. 3, Stirling, and the late Mr. Sharpe. They have three daughters, Mrs. Jack Oliver (Jean), of Peterborough, Carol and Kathy, at home.

Marion and Burton graciously replied and voiced thanks for the party in their honour and expressed pleasure in having so many friends and relatives in attendance on this happy occasion.

At the close of an enjoyable even-

ing, light refreshments were served. The honour couple were the recipients of several beautiful gifts and numerous congratulatory messages.

Guide News

As we mentioned in last week's news item, the Guides have been working quite steadily this Fall. In fact, three of the girls didn't stop working during the summer. Janet Wood earned her Gardener Badge in the summer. Our thanks goes to Mrs. Floyd Armstrong for acting as tester for this badge.

Jill West and Laurie Glover earned their Swimmer Badge, which is com-

parable to the Intermediate Red Cross Swimmer's Badge. Since Guides resumed activities in September, the following proficiency badges have been earned:

Ministrel — Susan Wright. Athlete — Jill West, Julie Hunter, Susan Wright, Kelly Dobson, Laurie Glover.

Cook — Julie Hunter, Susan Wright, Judy Cooke, Jill West.

Toymaker — Susan Wright, Julie Hunter.

Child Care — Pearl Hum, Janet Munro.

Writer — Susan Wright.

Artist — Julie Hunter, Susan Wright, Laurie Glover.

Mineral Collector — Susan Wright.

Our thanks goes to all of the following people who have acted as testers for all these badges: Miss Grace Pitman, Ministrel; Mrs. S. Green and Mr. Glen Bennett, Athlete; Mrs. J. Valchar, Cook; Mrs. L. Howard, Toymaker; Mrs. J. Bryant, Child Care; Mrs. B. Morton, Writer; Mrs. D. McIntosh, Artist, and Mr. J. Bryant, Mineral Collector. We truly appreciate all the interest shown and help given by all of these people.

Our girls working on their Tenderfoot are not allowed to earn proficiency badges until they have been enrolled. However, they only have a few more things to pass and then they will be able to speed ahead, too. We were sorry to lose Sally Short from our Company last week. Sally has moved to Petawawa, but has promised to write and let us know what Guide activities are going on there.

For next week, all the Guides are to remember to have their names in their hats and to bring their Christmas Project to the meeting.

Keep smiling,
Capt. Pitman.

It is my intention to open a real estate office in the near future, which will operate under my own name. This will be located in Marmora, and will also serve the surrounding areas.

My residence phone number is Marmora (613) 472-3620 until my new office opens, or I can be reached at 29 Burshall St. in the village.

St. John's A.C.W.

Mrs. J. Whitehead was the hostess to the December meeting of St. John's A.C.W., with twenty-one ladies present.

The President, Mrs. Green, opened in the usual manner. The minutes of the annual meeting were read and the annual reports were given.

Mrs. Green thanked the executive members of the executive and praised

for their work of the past year and turned the meeting over to Rev. Caswell to bring in the new slate of officers.

Mrs. Edwards read the report of the nominating committee, as follows:

President — Mrs. J. Green
1st Vice-President — Mrs. E. Reid
Secretary — Mrs. B. Murray
Treasurer — Mrs. C. Pearce
Affiliate Chairman — Mrs. F. McGee

Dept. of Family Life — Mrs. W. Hadley
Assistant Dept. of Family Life — Mrs. G. Morrow

Social Convener — Mrs. H. Parsons
Assistants — Mrs. T. Barnard, Mrs. G. Clarke

Social Service Sec. — Mrs. H. Cooke
Altar Guild Chairman — Mrs. S. McArthur

Mr. Caswell welcomed the new members of the executive and praised

the ladies for their efforts in making 1968 a very successful year.

After the business, several discussions followed and the president closed with prayer.

Mrs. Whitehead introduced the speaker for the afternoon, Mrs. Roy Beith, who talked informally about refinishing old furniture and antique new pieces. Mrs. Murray thanked Mrs. Beith for her informative talk, making it a very pleasant afternoon.

A delicious lunch was served by the hostess and her co-hostess, Mrs. Wall and Mrs. G. Whitehead.

Entered Into Rest BENJAMIN BLEECKER

Benjamin Blecker, who was killed in an accident Saturday, was prominent in the agricultural, civic, political, religious and social life of his native township all of his life.

He was a member of Sidney Township Council, served as Reeve for many years and was always available for any duty after he retired.

As an agriculturist, he farmed for many years in the township and was a noted breeder of beef cattle. His interest went far beyond his home environment and he was known throughout the district as "Mr. Fairboard".

He became interested in the Stirling Fair Board, was elected director, then president, and served for some years. His interest then gravitated to the Belleville Fair Board and for years he was the pulse of the organization, especially in the lean years.

He served as director, was elected president and then became secretary and treasurer of the Board, a position he held for some years.

During these years, he became active in the provincial organization of fair boards, was elected director and served a term as president of the Ontario Fairs' Association.

In all his activities with fair boards, he was kind and considerate of others and made a circle of friends that endured. He was president of the past presidents' association.

Politically, he was a staunch Liberal and took an active interest in the deliberations of the party. He served as president of the Sidney Liberal Association and also the South Hastings Liberal Association, and his advice and counsel were often sought.

He offered himself as a candidate for the Legislative Assembly and although defeated, never lost the respect of his opposition.

Mr. Blecker was treasurer of the Plowmen's Association when the provincial championships were held in this district. Besides his civic life, he took an active interest in education and for 15 years was a school trustee in the township.

He was also tax collector for the township for five years.

Mr. Blecker was active in the United Church and was secretary of the Marsh Hill United Church Trustee Board for 25 years and for 30 years as recording steward of the Foxboro United Church Charge.

He was born in Belleville 77 years ago, a son of the late Mr. and Mrs. William Blecker, who donated land upon which two churches stand today. He was educated in public and high schools and Albert College and after his marriage took up farming in Sidney township.

He recently sold the homestead and built a new home.

Fraternally, Mr. Blecker was a member of Stirling Lodge A.F. and A.M., No. 69, and Minerva Chapter, No. 138, Order of the Eastern Star.

Surviving are his wife, the former Laura Evelyn Cummings, one son, Donald R. Blecker and two daughters, Mrs. Charles (Evelyn) Murphy, Toronto, and Mrs. Gerald (Bessie) Frederick, South Pasadena, California.

Also surviving is one brother, William Blecker, of Belleville.

The funeral was held on Tuesday afternoon from the John R. Bush Funeral Home at two o'clock with Rev. Abel Parsons officiating.

Interment was in Belleville cemetery.

CHARLES LOUGH

The death occurred suddenly on Sunday, December 1st, at his home, Spring Brook, of Charles Lough, who would have been 82 on December 2.

Born and educated in Marmora Township, he was a son of the late John Lough and his wife, the late Isabella Bailey.

Mr. Lough was a well known cheesemaker, a member of Spring Brook L.O.O.F., No. 429, and L.O.L., No. 442, and a member of St. Mark's Anglican Church.

His wife, the former Minnie Mumby, predeceased him a few years ago. Surviving are two sons, Clinton, of Tweed, and Roy, of Toronto; one daughter, Mrs. Roy (Hazel) Shortt, R.R. 2, Campbellford; two sisters, Mrs. Thomas (Margaret) Moffat, Pet-

Born July 13, 1908, Mr. Kingston received his early schooling in Stirling and Campbellford. OPEN HOUSE AT TED'S TACK SHOP

Recently, a two-day "open house" celebration was held at Ted's Tack Shop, Front St. E., Stirling, on the occasion of the official opening of his new spacious building.

To highlight the event, an old-fashioned stage coach, rebuilt last year by I. Hoad, Moscow, Ont., for Upper Canada Village, was borrowed for the day to transport dignitaries to the plant and to make tours around the Village. The coach was drawn by a team of show horses owned by Harold Johnston, R.R. 4, Stirling. Stirling Police Chief Chas. E. Hicks also rode atop the coach, acting as a "bodyguard", carrying the weapon of protection, just in case of a stage coach hold up.

Official Opening

Reginald McCurdy was chairman for the official opening. He called on Mayor Russell Scott, Belleville; Clarke T. Rollins, M.P.P. Hastings Riding; Reeve D. W. Rodgers, Stirling; and Police Chief Chas. E. Hicks for short addresses. All congratulated Mr. and Mrs. Ted Cairns and Mr. and Mrs. Bill Cairns on their fine new building and thriving industry in the Village.

Reeve Rodgers and Mrs. Rodgers cut the rope to officially open the building.

Many fine prizes, including a pony, were awarded during the two-day opening.

History of Ted's Tack Shop

Bill and Violet Cairns had owned a shoe store on Mill St. for about twenty years. Ted Cairns, their son, was working in the store in 1960, repairing shoes and the odd bit of harness for the local farm horses. The Great West Saddlery Co. closed, and Ted purchased several unfinished saddles and parts in order to complete them as a hobby in his father's workshop.

These saddles sold as soon as they were completed and arousing inquiries from potential buyers, revealed to Ted the possibilities of that line of work. In 1962, he purchased the shoe business and harness repair, and with his father's help, turned the three-car garage at 22 Mill St. into a small showroom and workshop for saddlery.

Several trips to the United States were made to see if large suppliers could help meet the demand for harness and saddles. As the costs of importing increased, Ted's Tack Shop became more and more self-reliant with new machinery. One trying stigma, however, was that the entire staff had to be trained to use the equipment.

Importing became more difficult with several items and when it became impossible to obtain horse blankets promptly, more machines were installed. The time required to make a blanket has been greatly cut down from the three days Ted spent in producing the first one. These top-grade blankets are now turned out in quantity and shipped West, to British Columbia, and East, to Prince Edward Island. While blankets are the fastest-growing end of the business, Ted's Tack Shop also produces horse collars, barback rigs, halters, bridles, harness, almost anything pertaining to horses. One of the most interesting items sold at Ted's are the finished and mounted sets of Texas Longhorns. These ideal wall or mantle pieces, shipped in large quantities from the United States, can have a span of over seven feet.

In 1967, a van was purchased to deliver the finished product to the dealers and to bring raw materials from the United States. Later the same year, it was removed from the

Rotary Turkey Bingo Successful

The turkey bingo, sponsored by the Rotary Club in the Stirling Theatre, on Tuesday night, December 10th, was well attended and approximately fifty turkeys were given away as prizes.

route because it was unable to appease the demand.

Also in 1967, Ted sold the shoe store (now Shaw's Shoe Store) along with the building that housed the saddlery business, and started plans for a new building.

In May of this year, a new factory was started by the contractor, Wieger de Jong, at the corner of John St. and Front St. E. The new building has a working area of 3500 square feet.

The front of the new building is covered with British Columbia rough cedar and lava stone boulders, with the Ted's Tack Shop sign made of cedar logs. The interior of the showroom is covered with knotty cedar boards and trimmed with cedar furniture, handmade by Rashoties, of Tweed. The end of the showroom boasts a large stone fireplace, made by Bill Cairns, with wagon wheel lamps suspended from simulated wooden beams.

A fibreglass horse stands in the showroom window, dressed with one of the finest saddles and bridles.

A feature on the northeast corner of the lot is a fifty foot brightly painted totem pole, made by Jack Livesey, R.R. 4, Stirling, which draws many fine compliments from residents and customers from all over Canada and the United States who visit the shop.

The News-Argus joins in extending congratulations to the Cairns' family and wishes them well for the future.

Bethel U.C.W.

The Christmas meeting of Bethel U.C.W. was held on December 12th, at the home of Mrs. E. Ketchen.

Mrs. D. Heath welcomed the visitors and members with "A Christmas Wish To All". The hymn, "O Little Town of Bethlehem" was sung. The roll call was answered with a verse containing the word "light". The collection was received and dedicated.

Plans were made for catering on December 20th and also in February. The pot luck dinners will start again in January. It was decided to send donations to Quin-Mo-Lac, Five Oaks, R.S.V.P. and the M. and M. Fund.

Mrs. T. Clements was in charge of the Christmas Worship Service and programme. The hymn "Gentle Mary Laid Her Child" was sung, followed by the meditation, "The Magnificat" was read responsively and all repeated the verse, John 3:16.

A skit, "The True Spirit of Christmas" was given by Mrs. W. Heath, Mrs. E. Ketchen, Mrs. M. Wickens, with musical selections by Mrs. V. Hagerman. Readings were given by Mrs. J. Thompson and Mrs. M. Johnson. "Silent Night, Holy Night" was sung and Mrs. Clements led in prayer.

Mrs. Cox moved a vote of thanks to the retiring officers, and Mrs. Lightie, to the hostess and program committee.

Santa Claus paid a surprise visit and helped in the Christmas gift exchange. Lunch and a social time followed.

Wellman's W.I.

The Christmas meeting of Wellman's W.I. was held on December 11th at the home of Mrs. Victor Graham, opening with the Ode, The Lord's Prayer and the roll call, answered by "How To Spread Christmas Cheer", with thirteen members and one visitor responding.

Plans were completed for a Christmas concert for the children, to be held December 21st in the Orange Hall. Four members paid to the birthday box, namely, Mrs. B. Seeley, Mrs. Carl Clancy, Mrs. Howard Wallace and Mrs. John Rainie.

For the programme, prepared by Mrs. Keith Clancy, readings were given by Mrs. Douglas Clancy, "Christmas Cards" and a second one, "A Prayer To Help Keep the True Christmas Spirit"; Mrs. Akins, "A Christmas Prayer"; Mrs. John Carls, "Christmas Is Forever" and Mrs. Keith Clancy, "Christmas Is Woven Around Love". Mrs. Kenneth Tompkins sang "Rock-a-Bye Baby There in a Manger", accompanied on

the piano by Mrs. W. C. Cox.

Christmas carols were sung during the gift exchange. All took part in a contest, with Mrs. Cox being the winner.

The meeting closed with The Queen and all repeating the Mary Stewart Collect.

Two monkeys were discussing the theory of evolution: "Do you mean that I am my keeper's brother?"

**A Special Christmas Thought From Your
Local IGA Dealer and His Staff . . .**

This Christmas mend a quarrel. Seek out a forgotten friend. Dismiss suspicion, and replace it with trust. Write a love letter. Share some treasure. Give a soft answer. Encourage youth. Manifest your loyalty in word and deed. Keep a promise. Find the time. Forego a grudge. Forgive an enemy. Listen. Apologize if you are wrong. Try to understand. Flout envy. Examine your demands on others. Think first of someone else. Appreciate. Be kind, be gentle. Laugh a little. Laugh a lot more. Deserve confidence. Take up arms against malice. Decry complacency. Express your gratitude. Go to church. Welcome a stranger. Gladden the heart of a child. Take pleasure in the beauty and wonder of the earth. Speak your love. Speak it again. Speak it still once again. Make this Christmas Merry.

Family Night At
River Valley

Over 80 people gathered at River Valley School House last Sunday evening to take part in "Family Night, the open Christmas meeting of U.C.W., Unit 5.

After Mrs. Hugh Lyons, the President, welcomed all and the secretary, Mrs. Ernest Carr, gave a concise summary of the year, Mrs. Roy Bush, convenor of the programme and as commentator, introduced the programme which had for a theme "Homes At Christmas Time". She read a poem which introduced Mrs. Jack Bush, commentator, and the school boys and girls in a huddle discussing the meaning of Christmas. This was presented by readings, dialogues and pantomime, by children, teen-agers, little tots and adults.

As the group discussed the meaning of Christmas, it depicted the influence home life has on character building.

The story unfolded to take in an unfortunate family in the suburbs, who were eventually helped at Christmas by the forethought of a school mate, who solicited his Sunday School teacher and minister. This was acted out by Mrs. E. Carr and Lloyd Bream.

Mrs. Lyons showed how the Christmas message of love can be taught in every home by gathering the little children to tell an illustrated story and making the Nativity scene. Older children can help here. Cindy Haw presented the beautiful pictures which she had drawn and coloured. Mr. Jack Bush sang, in his usual manner, "Happy The Homes Where Christ Is Found".

St. Paul's H.C. with Mr. Small as narrator, portrayed and acted Christmas in a refugee camp, all the home they had, which fitted nicely into the story.

Rev. Small closed the programme by leading in carol singing and prayer.

Mrs. Norman Rosebush was pianist and she was accompanied throughout by Mr. Norman Rosebush with the violin, which all enjoyed.

A social hour was enjoyed with neighbours and friends, new and old.

Christmas Meeting Mount Pleasant Messengers

On Saturday evening, December 7th, Mount Pleasant Church Hall was decorated with Christmas symbols and a lighted evergreen tree for the Christmas meeting of The Messenger Group. Mrs. Raymond McConnell and Mrs. Garth Joslin arranged the party and approximately sixty adults and children were in attendance.

The opening number was sung by all the children in a group on the platform and David Jeffs gave the welcome.

Joan Jeffs presided over the programme. Piano solos were given by Michael Bailey, Isabel Hoard, Jeanette Hoard, Suzette Morgan and Margaret Hoard. Readings were given by Heather Hoard, Brian Hubel, Terry Bailey, Debbie David, Lynn Joslin, David Jeffs, Kathy Sharpe, Suzette Morgan, Ian Hubel, Donnie Hubel, Randle Scott, Janet Cousens, Isabel Hoard and Hilda Talsma; accordion music, Gary Couch; vocal trio, Suzette Morgan, Gail Merrick and Kim Graff; vocal solos, Lynn Joslin and Greg Joslin; harmonica music, Randle Scott; vocal duet, Kim Graff and Gail Merrick.

Mrs. Grant Hubble told of a project to send garden tools and seeds to needy countries and the children decided to send twenty dollars to this fund.

Jill McAdam was pianist for the carol singing. The leaders distributed Christmas corsages to the girls and hockey pucks to the boys and all received a rosy, red apple and confectionery.

At the close, the children served sandwiches and cake and the group enjoyed a social half hour. The twenty-three adults in attendance were grateful to the leaders and the children for a lovely Christmas party.

Ivanhoe Institute

The Christmas meeting of Ivanhoe Institute was held at the home of the President, Mrs. Russell Sills, with a good attendance.

Each member brought her favourite candy recipe. Thank you notes were read by the Secretary, Mrs. George Wood. The President discussed with the members whether they would take on the job of making pancakes at Mr. Bill Collins' sugar bush in the Spring, for the Moira River Conservation Authority. It was also decided to cater at the sale barn next October.

The collection was gathered and each member gave a donation of money for some needy family in the community.

Each convener gave her report and the rest of the meeting was handed over to Mrs. Barton Haggerty. She opened with several Christmas carols and the Christmas Story, read by Mrs. Tuimman, taken from Luke 2, verses 1-20. Mrs. Ted Pollock and Mrs. Barton Haggerty each gave readings.

The meeting closed with O Canada and the Institute Grace and then Santa Claus arrived to conduct the exchange of gifts. Miss Edna Tanner thanked Mrs. Sills for opening her home for the Christmas meeting.

your telephone
by R. W. Carleton

Somehow the last few days just before Christmas often turn out to be the busiest of the year. What with children home on holidays, pre-Christmas entertaining and the inevitable delays caused by winter weather, you may find your telephone an indispensable step-stone has what you want, keep tabs on the youngsters' whereabouts, plan and schedule the family's holiday activities. And, for a break in a busy day, what's more pleasant than taking time out for a telephone chat with a friend across town — maybe share a few Christmas decorating tips in the bargain.

So keep your telephone in mind when you're planning how best to get everything done by December 25.

While a heavy snowfall may create a winter scene to equal any you'll find on a Christmas card, it's best appreciated if you happen to be indoors curled up in front of the fireplace. If you're outside, you'll be too busy coping with icy roads and sidewalks, blinding snow, sleet and treacherous driving conditions to enjoy fully the splendor all around you.

Whether on foot or in a car, winter weather requires caution when moving about outdoors. But for the motorist, it's particularly hazardous. Here are a few reminders for safe motoring that many experienced drivers follow. Keep your car in top mechanical order. Drive smoothly, avoiding sudden stops, starts and abrupt turns. Keep more than the usual distance between your car and the vehicle ahead. "Pump" brakes lightly on icy or wet streets to bring your car to a gradual stop. If you should skid, let up on the gas pedal and steer into the skid. Watch for thawing ice — you need twice as much stopping distance on slush as on glare ice. Turn your headlights on low beam during a snow storm or fog. Watch for icy patches on streets and frosty bridge floors. Keep windows clear and clean and, above all, slow down.

Have you ever wondered why the word Christmas is sometimes written Xmas? The "X" in Xmas is the Greek letter "Chi" — written X — and "chi" is the initial letter of the Greek word for Christ.

It was agreed to send \$400. to overseas relief.

Unit 2 requested a cupboard be provided at the Church to have on hand good as new clothing for youngsters when needed. If not needed within the time a bale is sent, some will be added to the bale. This group is making stuffed animals to sell. Others are giving a money donation to this group. Clothing will be purchased for children they have in mind.

Mrs. Blake Faulkner, Stewardship, left the gathering with this challenging question: "Do we give our money freely?"

Mrs. Bruce Small, Citizenship and Social Welfare, gave a talk on the important topic of Child Care and Welfare. In 1967, Children Aid Societies throughout Ontario obtained 40 convictions for child cruelty, in a preventive capacity.

They carried out family counselling concerning 75,000 children in 1967, and took 5,600 into care, along with another 5,000 children of unwed mothers. With a current budget of \$40 million and a staff of 1,346 social workers, it is hard to see how Ontario's Welfare program could do much more.

Seven members of St. Paul's U.C.W. were presented with Life Membership pins, in fond remembrance of the late Mrs. Mary Vandervoort. Mrs. Edwin Warren made the presentation to Mrs. Ross Bush, Mrs. Norma Bush, Mrs. Bernard Farrell, Miss Adeline Bush, Mrs. Gerald Bush, Mrs. Glen Bush, Mrs. Allan Wells, with Mrs. Jack Bush assisting with the pinning. Mrs. Warren closed the ceremony with prayer.

The Devotional service was conducted by Mrs. Hugh Lyons and Mrs. Clare West, with Mrs. Glen Bush

and Mrs. Phil Conley gathering the offering.

Mrs. Clifford Clancy was in charge of the programme, opening with the singing of Christmas carols, with Mrs. Harold West at the piano. A piano duet was given by Mrs. Craig Watson and Mrs. Arthur Pyear. Mrs. Harry Brown gave several accordion numbers. Miss Heather Grant favoured with a piano number. Mrs. William Fitchett sang, "Take My Hand and Lead Me Home", with Mrs. H. West as accompanist.

The meeting closed with prayer. Unit 5 served a delicious lunch. Mrs. Maurice Clancy voiced appreciation to one and all for the evening.

Rawdon United Church Men Annual Christmas Tree Sale

CHRISTMAS TREES WILL BE ON SALE AT THE STIRLING MUNICIPAL PARKING LOT ON

DECEMBER 21st

Trees are available from Ralph Jeffs, Wm. Heath and Rev. W. C. Cox

Orders may be placed with the above

— Large trees may be purchased on order —

KEEP YOUR

Choose a place for the tree which will not block access to doors or windows in the event of an emergency.

Hold it! Before you set up the tree, cut one or two inches from the butt. Then set it in water. Crushed stone in a suitable container will keep it steady.

Remember to replenish water regularly throughout the Christmas Season. You may need to add more than a pint a day.

Insulation on lighting strings should be checked for damage and possible short circuits. If buying new lights, be sure they are C.S.A.

Smoking near the tree is foolish and dangerous. Keep cigarettes and matches at a safe distance.

Tinsel and other decorations should be non-inflammable. Don't deck your tree with added fire dangers!

Make sure that matches are kept out of reach of children, and never leave young children unattended even for a minute!

Always clear away discarded gift wrappings promptly from the tree area. Even a moist tree will burn if ignited by such a fire around its base.

Switch off the tree lighting when you go to bed, or whenever you leave your home.

Mrs. Albert Wilhelm Hostess For Christmas Meeting River Valley W.I.

On Thursday, December 5th, the Christmas meeting of River Valley Women's Institute was held at the home of Mrs. Albert Wilhelm at Rainbow Fishing Lodge.

Christmas decorations and a cactus, in full bloom, added beauty on this festive occasion. A decorated box held the various gifts for Mental Health patients and these will be delivered to Belleville at early date. A large array of wrapped parcels, all aglow with ribbon, were displayed for the gift exchange and later each one chose her parcel while blindfolded.

The Secretary, Mrs. Ernest Carr, distributed the Fall issue of "Home and Country."

The Friendship Link Secretary, Mrs. Percy MacMullen, gave out the individual gifts of engraved key fobs from the members of Abbots' Leigh W.I. in England. These had arrived in the mail that morning, along with a very lovely card of greeting, wishing all River Valley members a wonderful Christmas.

Despite a heavy snowstorm and inclement weather, there were twenty members, three visitors and one preschool child in attendance.

Mrs. Kenneth Myers opened the meeting with the Institute Ode and Mary Stewart Collect. Mrs. E. Carr read the minutes and thank you notes. Mrs. J. L. Donohoe gave the financial picture. Mrs. Roy Tucker read an article on "Pruning Trees and Shrubs". Mrs. Sheldon McIntosh said that the Provincial Minister of Education frowns on the idea of corporal punishment for students. Mrs. Stanley Irvin read an article re new Kyte-Blair books. Mrs. Roy Irvin gave a cooking hint and said that honey is an ideal sweetener for rolled oats.

Mrs. Percy MacMullen, for Public Relations, said Mrs. Austin S. Zoeller, of New Hamburg is the newly-elected president of The Federated Women's Institute of Ontario. She also told of a letter received from Mrs. DeFosse, Publicity Secretary of A.C.W.W., who was in charge of the embroidery competitions for the Triennial.

For Friendship Links, Mrs. MacMullen gave a full report of the parcel of individual gifts which were shipped to England on November 8.

The A.C.W.W. Secretary, Mrs. Roy Tucker, brought a message from "The Countrywoman Magazine". At the recent Triennial in Michigan, the World President, Mrs. Aroti Dutt, received an unanimous nomination for a second term of office.

The Area Vice-President for Africa passed on this message from Sanskrit as 1968-1971 will have both problems and opportunities — "Today well-lived makes Yesterday a Dream of Happiness and every Tomorrow a Vision of Hope".

The Pennies for Friendship in the jar for November amounted to \$1.62. She outlined several ideas to raise money for this fund. Leslie Tucker gathered the pennies and the ladies were asked to give generously to this worthwhile cause.

Mrs. Roy Irvin said the Home Economist in charge of Achievement Day, highly commended River Valley 4-H Club for their posters.

A committee was appointed to provide the usual Christmas gifts for the shut-in folks.

The 4-H Club leaders for the new project in 1969 will be Mrs. Gerald Brooks and Mrs. Roy Irvin.

The programme convener, Mrs. Glenn Bush opened with a sing song of Christmas carols, with Mrs. Sheldon McIntosh as leader. Mrs. Harry Morrow read a short article on "The Gift of a Smile".

The President of West Hastings District, Mrs. Gerald Irvine, was introduced for her official visit. She

congratulated the members of the Bush family as Jack had won the Reeveship of Sidney Township. Her special subject was based on a report by Miss Florence Eadie and her field work with the Northern Institutes. A Canadian school atlas was displayed and most of the new Institutes in the North were clearly marked. There are twelve Northern Institutes: Akavik, Coppermine, Delta, Discovery, Fort Good Hope, Fort McPherson, Fort Norman, Fort Providence, Tuktoyaktuk, Carmacks, Destruction Bay and Teslin.

Mrs. Gladys Vear travelled through the Mackenzie District and she held several sewing classes. The Dominion Textile Company supplied the cloth.

Mrs. M. E. Lambert carried on field work in the Yukon and a new Institute at Coppermine was organized for the Eskimo women.

Reindeer Station W.I. has had to disband as the Federal Wild Life Branch has taken charge and most of the leaders have moved elsewhere. Their Centennial for hat has been donated to National Office at Ottawa.

Mrs. Vear tells of a wonderful picnic at Fort McPherson and Miss Eadie reported a thrilling trip to Inuvik, an Arctic city with a Women's Institute. This town is completely modern and it is just five years old.

Mrs. Ross Bush voiced thanks to Mrs. Irvine for her message and made the presentation of a gift.

Mrs. Vernon Harry gave a hobby demonstration and showed the ladies how to make a bouquet of fantastic blooms from tissue and crepe paper in a wide range of colours.

The roll call was answered with "Points To Remember In An Emergency".

The next meeting will be held on January 9th, 1969, at the home of Mrs. Vernon Harry, based on Education.

The meeting closed with the Institute Grace, after which members of the Citizenship and Education group served a Christmas lunch.

Mrs. Roy Bush voiced thanks for hospitality, programme and refreshments.

Library News

The following books and many others may give you hours of pleasant reading in the holiday weeks ahead.

"Many a Green Isle", by Agnes Sligh Turnbull. Those of you who enjoyed "The Bishop's Mantle" and "The Marriage Bargain" will find from the pen of this author another good novel. A choice between romance and ambition, between a compromise with evil and a cherishing of principle, plunges the main character into a sea of misery and eventually onto a green isle of happiness.

"Do Butlers Bungle Banks", by P. G. Wodehouse. This prolific writer, creator of "Jeeves", the incomparable butler, has once more given the reader a tale of rib-tickling humor.

"Iberia", by James Michener, is a well-informed travel book about Spain by the author of "Hawaii". "The Source", "Caravans", etc. Spain's history, government past and present, sports, music, literature, art, food and dance, all are graphically and factually contained in this satisfying book.

"Modern Motherhood", by Dr. H. M. I. Lilley. The first book on pregnancy and childbirth, based on the new medical specialty of fetology, the study of the unborn. Covers pregnancy, childbirth and the first six months of life.

"The Center", by Stewart Alsop, commentator and Washington editor of "The Saturday Evening Post". Revealing insights into the realities of power at the Pentagon; a must for

those who would understand the neighbour to the south whose destiny is a part of our own.

"With Love and Elbow Grease", by Elizabeth Browning. A guide to decorating, antiquing and finishing practically anything.

"When Teenagers Take Care of Children", by Ivor Kraft. An official guide for baby-sitters and of interest to parents, sitters and especially babies, if they could read.

Lest we take more space than is our due, we will list some titles that will keep you informed or relaxed, whichever you require of your reading time. A new Mary Stewart book; many new science-fiction and mystery books; an excellent Alan Moorehead, "Eclipse"; Rabbi Feinberg's "Hanoi Diary"; The Sand Pebbles, by Richard McKenna; "The Big Ship", by Henry Larsen, about Canada's north-west; "This Is Trudeau", by John D. Harbison; "True Grit", by Charles Portis, mentioned last week; "The Landlord's Daughter", by Monica Dickens; "The Sparrow's Fall", by Bodsworth, author of the excellent "Strange One"; "Crystals of Life", the story of salt. There are several marvelous National Geographic books, "Australia"; "The Caribbees"; "The River Nile"; "Canada From Sea To Sea"; "Man's Conquest of Space"; "Chimpanzees"; and "World Beneath The Sea" — all with the uncontestable authority of this publishing house.

Looking for a last-minute small gift? Why not a Library Membership Card?

Christmas Meeting Mt. Pleasant U.C.W.

On Wednesday evening, December 11th, Mount Pleasant Church Hall was arranged in a Christmas theme with a worship centre, candles, poinsettias, evergreens and figurines for the Christmas meeting of Mount Pleasant United Church Women. Thirty-three people were in attendance.

Mrs. Burton Sharpe opened the meeting with a Christmas poem and prayer. Mrs. Mac Sharp rendered special piano music. Mrs. Harry McAdam and Mrs. James Hoard gave their reports.

Mrs. Grant Hubble read the various thank you notes. Mrs. Herbert Smith gave a message on Stewardship and Mrs. Robert Merrick gave Citizenship.

Mrs. Harvey Couch received her U.C.W. Life Membership and pin. This was a gift from her aunt, the late Mrs. Mary Vandervoort.

The sale dates for 1969 are July 14th and November 24th. Considerable business was discussed. One hundred and eighty dollars was authorized to be paid to five funds. Plans were made for a fellowship hour after the evening church service on December 22nd.

The programme was arranged by Mrs. Kenneth Weaver and Mrs. Donald Knight, and the latter gave the meditation. The devotional centred around the Christmas Story as written in the second chapter of St. Luke. The offering was gathered by Mrs. Doug. Pyear and Mrs. Raymond McConnell. Vocal selections were rendered by Mrs. Carleton Potts and Mrs. Thomas Sables. A pageant "Arise and Shine" was presented by eight people in costume. Several carols were sung and Mrs. W. C. Cox rendered a vocal solo. A candlelighting ceremony closed the programme, after which Mrs. Thomas Sables and Mrs. Grant Hubble served a variety of fruit cake and cheese.

Spring Brook U.C.W.

Spring Brook U.C.W. entertained the Senior Citizens to a turkey dinner Thursday at 12.30 in the Church Hall. The Hall and tables were nicely decorated for Christmas and each guest received a small gift. It was the regular U.C.W. meeting and all members were invited to the dinner.

Mrs. George Williams, the President, had charge of the programme. She passed around some antiques for a contest which proved very interesting. She then took charge of the Devotional, on Christmas, assisted by Mrs. G. McFaul, Mrs. Mort Reid and Mrs. D. Fleming, with stories of the Scriptures. Mrs. Ralph Wellman played the Christmas hymns. Mrs. Cox favoured with a solo, "O Holy Night". Mrs. Joe Thompson and Mrs. Clayton Burkitt gave Christmas readings. Mrs. Williams gave a humorous reading. Mrs. Chris Bateman showed some interesting slides which were enjoyed by all. Rev. W. Cox, on behalf of the guests thanked the members and pronounced the Benediction.

The members remained for a short business meeting. The Secretary and Treasurer gave their reports. The Visiting Committee also gave a report. Mrs. Clayton Burkitt is the new Secretary for the next two years. The next meeting is an afternoon meeting on January 9th. Mrs. Williams closed the meeting with prayer.

Merry Christmas and Happy New Year

Make sure it hums. Then it won't be a watch at all. It'll be an Accutron® timepiece.

Bulova left out of Accutron the parts that make a watch run fast or slow.

The Accutron timepiece has no balance wheel, no main spring, no hairspring. (Therefore no tick.) Instead it has a tiny, electronically-powered tuning fork. (That's what does the humming.)

The tuning fork splits a second into 360 equal parts. The best a ticking watch can do is divide a second into 5 or 10 parts.

Accutron time is so nearly perfect that Bulova guarantees monthly accuracy to within 60 seconds.†
